---

Dear SIMCom Customers :

Thank you for your support of SIMCom products. This letter is to inform you that our product SIM900R is going to be phased out soon.

The main reason is that PA chipset used in SIM900R has been phased out by the supplier. Furthermore our alternative compatible products are more competitive.

We will continue to supply SIM900R until your last order is fulfilled. Purchase orders will be accepted until 2016/03/31 and the last order will be delivered before 2016/06/30.

Type	Product	Last Buy	Last Delivery
GSM/GPRS	SIM900R	2016/03/31	2016/06/30

Product in EOL	Alternative Product
SIM900R	SIM800F

Thank you for your understanding in this situation and assure you our very best support. SIMCom appreciates and values your continued business relationship and looks forward to your future interest in our product portfolio.

Any questions, please contact your SIMCom sales team.

Best Regards.
